Novo Nordisk Access to *Insight* Grants & Awards Programme Scholarship

The *Access to Insight* Training Scholarship is designed to cover a period of minimum 6 months to up to 12 months of training and requires a minimum experience level of the applicants (2–4 years in haematology and at least 1 year in haemostasis/haemophilia). This application form must be completed in full for you to be considered for the Novo Nordisk *Access to Insight* Grants & Awards Programme. An application will be considered for review by the Core Faculty members only if it is submitted with the requested documents, i.e. cover letter, curriculum vitae, and training description. The one-page cover letter should include a description of why you are applying for the scholarship and should state your commitment to pursuing a career within haemostasis/haemophilia. Applicants are eligible to apply only if they have the institution's agreement to do so. Funding will be offered in relation to your training period and will be transferred to the institution and not to the applicant.

Training description (limit: 500 words)

Clinical training should be in the field of haemostasis and rare bleeding disorders. Please describe the clinical duties you expect to perform during the scholarship what you are hoping to achieve from this training, what influence it would have on your career goals, how you would use these achievements thereafter, and what skills could be applied at your home institute after the training is completed? (You may wish to base your training description on the following article: Astermark et al. Haemophilia 2008.)

Have you received any financial or in-kind support from Novo Nordisk within the last twelve months? If yes, please specify:
